

Our workshops involve in-depth teaching and practice designed to both enrich your spiritual growth and enhance your quest to become more of the person you were created to be. This journey will enable you to experience greater authenticity, wholeness and Christ-likeness in all areas of your life.

Other topics in the BEING REAL series include:

- Discovering Your Unique Spiritual Gifting
- Growing Your Manhood or Womanhood
- Living in the Fullness of Your Spiritual Nature
- Discovering Redeemer, Living in Redemption
- Meeting Jesus Together

This workshop will be taught by **Dr Peter Holmes** and **Dr Susan Williams**, sharing from their own personal experience and from many others they have taught and supported. It will include practical steps for you to follow during and after the workshop to help you become more of who you were created to be.

Peter and Susan are experienced speakers, pastoral counsellors and authors from UK, where the Rapha Journey originated. The Rapha Journey is a step-by-step Biblical process of growing into greater wholeness and (when you are ready) a deeper relationship with God.

**DAILY DISCIPLESHIP:
PRACTICAL TOOLS FOR KNOWING AND
GROWING YOUR RELATIONSHIP WITH GOD**

OCTOBER 3-4, 2014

What is the workshop about?

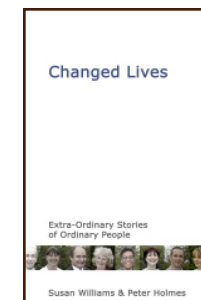

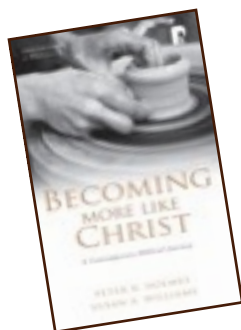

We are all called to be a daily disciple. It's the way we live out our love for God. It's how our relationship with God grows.

But how does daily discipleship work? In our families, our work, our victories and our problems, what does God expect discipleship to look like?

Dr. Peter Holmes and Dr. Susan Williams will teach a new workshop to help us with this journey. The discipleship tools they will share are a blend of the familiar and the new, supported by many stories of the difference they make. You will leave the workshop with tools to practice in your own life, in your own way.

Themes we will cover include:

- ✦ Discover the significance of God's perspective
- ✦ Learn how to hear from God in new ways
